

M E N U

Joe the Chef and his group of amazing assistants bring a wealth of knowledge and experience to create traditional dishes from around the world. We will provide you with a mouth-watering, diverse menu.

Joe has a passion for creating hearty, flavoursome food. He has travelled extensively and has learned from locals gaining knowledge of traditional cooking methods.

Each night will be a themed night with different cuisine. There will also be a burger and chips option available every day.

All meals come in Child & Adult options. Child portions will be a smaller size, so please be aware that some children may wish to order the full-sized adult portion instead.

Food can be pre-ordered from Juggling Edge when you buy your tickets and merchandise (see the BJC website for more details), or it can be purchased on the day at the event. Cash and card will be accepted during the event.
